Welcome to project 4K77. "There will only be one. And it won't be what I would call the 'rought cut', it'll be the 'final cut.' The other one will be some sort of interesting artifact that people will look at and say, 'There was an earlier draft of this.'...What ends up being important in my mind is what the DVD version is going to look like, because that's what everybody is going to remember.

Both the original Polish version of the novel (first published in 1961) and its original English translation are titled *Solaris*. Jean-Michel Jasiensko published his French translation in 1964 and that version was the basis of Joanna Kilmartin and Steve Cox's English translation in 1970 (published by Walker & Co., and republished many times since).
